

SABRE MODULE

Upgrade iCLASS SE® and multiCLASS SE® Readers for Touchless Access

Safetrust upgrades your existing HID® iCLASS SE and multiCLASS SE readers for Touchless Access, making accessing and visiting the new workplace secure, healthier and convenient.

Go Touchless with the Safetrust Wallet

The SABRE MODULE offers a touchless authentication solution that instills confidence in employees, tenants, and visitors.

Reduce Community Touchpoints

Enjoy seamless access to turnstiles, doors, elevators, and more from a configurable distance, without ever needing to take your phone out of your pocket.

Instant Mobile Credentialing

Instantly issue a secure mobile credential with the click of a button, eliminating the need for face-to-face onboarding and handling of cards.

OTA Visitor Pass

Send guests their visitor pass directly to their mobile device so there is no need for badge handling upon arrival and guests can use the device they already have. Set credential rules in real time to ensure your visitors are only accessing the permitted areas at the permitted times.

Product Features

- **30-Second Install**
Plug-in upgrade with zero downtime, zero wiring and no electrical license required.
- **Remote Management**
Distribute firmware updates over secure WiFi, direct to all installed readers from Safetrust's cloud app, Credential Manager.
- **Don't Replace — Just Retrofit**
Safetrust's retrofit approach allows you to maintain your prior investment and extend the ROI on your readers by upgrading and future-proofing instead of replacing.
